

REAP THE REWARDS OF A TMTA MEMBERSHIP TODAY!

TMTA is dedicated to serving, enhancing and promoting the success of its member companies for the mutual benefit of all concerned through the increased power of group strength and leadership.

By joining the TMTA, you not only receive special member-only benefits, but you access the people, information and resources you need to stay competitive, successful and profitable while promoting the welfare of our industry!

Cost Saving Programs:

Group Health/Rx/Dental/Vision Insurances

By joining the BCBSM/TMTA Association Sponsored Group health plan, even the smallest business owner can compete for talent by offering best-in-class health care protection for employees. We can also provide premium, one-stop agent services when you make TMTA your agent of record.

Group Life Insurance

Together with Reliance Standard Life, we offer substantial monthly savings and provide broad coverages in the areas of life, accidental death & dismemberment, dependent life, short-term disability and long-term disability insurances. No minimum participation rules for voluntary plans

Workers' Compensation / P&C Insurance

TMTA has joined the Group Program through the Accident Fund, a premier provider of innovative insurance solutions with an "A-" rating by A.M. Best. Through group pooling power, your company is allowed access to dividends that would not otherwise be available.

Your company can also expect competitive rates along with 5% up-front savings on premiums, dividends paid based on loss performance and written premium, access to safety materials, and convenient billing options.

G-Tech LED Energy Savings Program

G-Tech can provide lower energy bills and increased equipment life thru partially funded programs and tax incentives guaranteed to perform for you.

Retirement Planning

CAPTRUST (formerly Freedom One) offers TMTA members one of the most comprehensive 401(k) plans available.

Call-A-Doctor

Telehealth is the fastest growing health benefit. Members can offer their employees discounted monthly rates for unlimited 24/7/365 phone/video/app health care services.

Unemployment Benefits Administration

Members receive discounted fees with Packer & Associates for overseeing unemployment cost control services.

Vision Discounts

SVS Vision saves employees and their families money by offering eyewear discounts as well as fully insured managed care plans, safety eyewear programs, and group discounts.

Euler-Hermes

Trade Credit Insurance is insurance that protects your accounts receivable. Euler-Hermes is one of the largest and oldest carriers in the business.

Telecom/Credit Card Processing Consultants

Schooley Mitchell focuses on reducing the cost of telecom and credit card processing services with complete vendor neutrality with an average of 28% savings.

Advocacy Services:

TMTA has been the voice of our industry for over 80 years providing effective legislative representation on both the state and federal levels.
